DEAR CHUCK E...

- You're the BEST! -

We had the most incredible time at Chuck E. Cheese's and my daughter had the greatest birthday celebration. As soon as we walked in, our hosts, Sarina and Robert, had everything organized and ready for us. They confirmed our reservation, we reviewed the initial food order we had placed and they went over the plan for the day with us. They kept me updated every step of the way and the day flowed perfectly. Our birthday party was small in number of attendees and Sarina brought so much happiness and energy to the group, it made the party so much fun! She was so sweet and wonderful. They both went out of their way to be accommodating in every way possible and make the day special. I've been to Chuck E. Cheese many times but this was our first time at the Citrus Heights location and it was by far the best experience we've had. A big thank you to our hosts for such an outstanding time, we'll be back again.

We booked a party for our son's 6th birthday tonight and WOW, we had such a great experience! Andrea was our host and I just had to write you all and tell you how wonderful she made it for us. She took care of everything and all the employees were super helpful and cheerful and made it a visit we will never forget. My oldest son is 14 and autistic and Andrea was able to convince him to come and dance with him them, and I can't even explain what a miracle that is. He is normally always in a bad mood and snapping at everyone but Andrea had him dancing and participating and it meant the world to me, truly. Huge thank you to Andrea and all the other employees at the Roanoke, VA Chuck E. Cheese, you're all doing a great job!

I had an amazing server named Jeff for my son's 6th birthday party on October 30th at the Denton, TX location. We had 18 children and 20 or more adults. He was very patient, personable, attentive, and kept a smile the whole time. My son has had his last 4 birthdays at this location and every time I get great servers who make me feel so at ease and grateful. I have never met a negative staff member at this location. I would like to say thank you to all the staff and management at this location, you are an amazing team.

In November, Team Sterling celebrated their first Ruby Pin Earner, Kennya Vasquez. Now, they once again get to celebrate Kennya as they award her as their first Sapphire Pin Earner! Kennya joined the Chuck E. family 3 years ago, and she makes it her priority to bond with the birthday stars so that they can have the best day ever. She ensures that mom and dad have a stress free experience and can just sit back and relax. Thank you Kenny, for all you do. Your Sapphire Pin is very much deserved!

~ The host stayed with the party and also assisted with giving out goodie bags. Great party! ~

~ The kids had a blast. ~

~ Kennya our party host made the evening extra special by being kind and attentive. ~
